Ereating a family atmosphere among the coaches and prayers is very imporfant. We want an atmosphere where the goys like each other and pull for each other to do шeli. Teams that believe something good is: going to happen for them in the fourth quarter and keep playing hard, find good things do happen. I think former. prayers should know that, no matter what they always have a home here. It's nice to belong to a group, a family a ream and that doesn't have to end when you guit playing

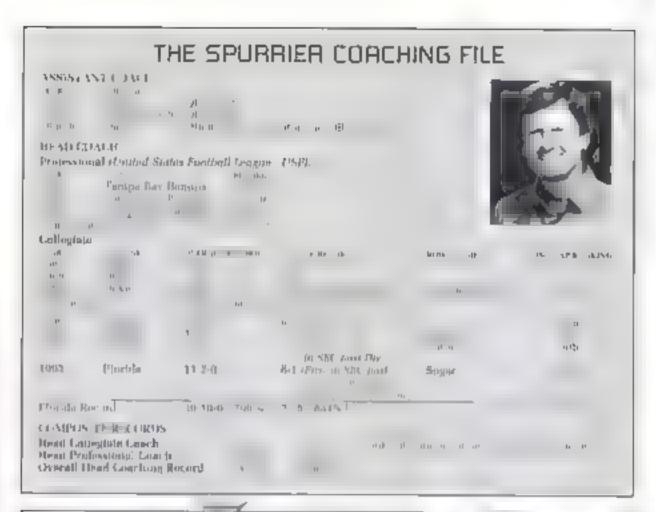

- STEVE SPURRIER

More than anyone. Sourcer has been responsible for mending UF's broken home and for making Gators proud to be Gators again. Yeah. It's kind of corny the way Sourcer gets misty-eyed when he sings we fire the Boys of the way he makes his players stay out on Florida Field after home games and sing the alma mater but there is no doubt he is genuine about making the bator family whole again."

'His philosophy is kind of an all-out asseult, like a fullcourt press in baskelball. It's relentiess pressure. And he strives for perfection. Of course, you never achieve it, but it's one of his goals.

Defensively, we want to develop a characteristic of being an aggressive, physical team which swarms to the football with the goal of lutning it over to our offense. Obviously, feam speed is a high priority. Life want to be fundamentally solid but willing to take calculated, aggressive moves to disrupt offenses. I think the players who are involved in this defensive scheme will have fun playing the game.

He is probably the most qualified experienced coach I have hired. "I'll always have so many fond memories of my years at Florida Playing at Florida Field, however will always temain something very special for me and all Gator players. Players from other teams always commented that playing here was the toughtest place to visit, and that's because of the Gator fans. They are always there no matter what. At other stadiums, the intensity of the fans was off and on, loud one moment and then at other times you didn't really hear them that's never the case at Florida Field. The fans are always supportive. They really are special and I'll never forget the feeling of running out of the tunner at Florida Field. It gives me goose-bumps fust thinking about it Treatly had the time of my life out there.
